THE FORTUNE OF MING AND SING

Our Story...

Growing up in their parent's restaurant, learning countless family recipes and what customers desired most, brothers Dan and Peter began to create their own vision for a Chinese restaurant: a clean, trendy atmosphere where customers can get fresh quality food quickly and conveniently.

The brothers developed innovative methods of cooking that would allow

their chefs to replicate their delicious one-of-a-kind recipes without sacrificing quality or taste. Ming and Sing presents an exciting blend of authentic and modern flavours, each unique dish featuring carefully selected ingredients served steaming hot. From the in-house made sauces to the mouth watering boneless pork, it's an experience that will keep you coming back.

THE MING & SING WAY . . .

- We use 100% vegetable oil.
- We only use white chicken meat.
- Our unique sauces are all made in-house.
- We slice and dice our vegetables fresh daily.
- Our open kitchen concept allows you to see how highly we prioritize cleanliness.
- Each creative batch is prepared for you with pride.
- Food batches are created in smaller portions to ensure freshness is always in your meal.
- During slow periods, if you don't see what you want, just ask and we will wok it up fresh for you!
